Dear Brother Young,

On behalf of the men of Phi Beta Sigma Fraternity, Inc., it is my privilege to extend this short note to express how very pleased and excited we are as an organization to contribute to the Prince Hall Monument Fund.

The legacy of Prince Hall has been a source of inspiration for tens of thousands of people of color in the United States and abroad, particularly in Masonry. Many men of Phi Beta Sigma Fraternity hold dear the long list of accomplishments made by Prince Hall during the mid 1700's through the early 1800's.

Phi Beta Sigma Fraternity, Inc. takes pride in making this contribution to the building of the monument. We sincerely applaud the efforts of Mayor E. Denise Simmons of Cambridge, Massachusetts, Marvin Gilmore, Chairman, and others working conscientiously to make this project a reality.

I plan to be in Cambridge, on September 12, 2009, to witness and participate in the activities to honor Prince Hall with a fitting monument on the Cambridge Common.

Brotherly,

Paul
