Dear Brother Young,

At the 90th Annual session of the Conference of Grand Masters Prince Hall Masons, Inc. a presentation was given regarding the erection of a memorial to our Founder the Honorable Prince Hall in the City of Cambridge, Massachusetts. The Memorial Commission solicited for donations from the forty-seven Masonic Jurisdictions that make up the Conference for this project.

In addition to the donations being made by Prince Hall Masons around the world and those Prince Hall Grand Lodge Jurisdictions that make up The Conference, the Conference of Grand Masters Prince Hall Masons, Inc. is supporting this effort by making a contribution through its Charitable Foundation.

We commend the Honorable E. Denise Simmons, Mayor of Cambridge, Massachusetts and the Prince Hall Monument Committee for the vision to erect a Prince Hall Memorial monument on Cambridge Common.

The Conference will be meeting in Dorchester, Massachusetts in May, 2010 and look forward to making the memorial monument one of the featured attractions of our tour to visit while there. It will be that much more pleasing to know that we took an active role in making it happen.

Sincerely yours,

Wilbert M. Curtis
